Mode of conducting draw of lots shall be as follows:

(a) At first a general draw of lots from amongst all applicants praying for admission irrespective of category [viz. Category-wise percentages of reserved seats are as below:

Scheduled Caste-22%, Scheduled Tribe-6%, OBC(A)-10%, OBC(B)-7% and Children with Special Need - 3%. It may be mentioned here in this connection that if seats reserved for SC remain unfilled by SC candidates they may be filled by ST candidates and vice versa. However, after completion of the aforesaid exercise if more seats are available which could not be filled up due to non-availability of SC/ST candidate they should be taken in the unreserved pool. Moreover seats meant for OBC(A) and OBC(B) candidates, if could not be filled up due to non-availability of OBC(A) and OBC(B) candidates, will also be taken in the unreserved pool. Such unreserved seats shall be filled by candidates as per norm. For this a waiting list may be maintained in the first draw of lots as at (a) above.
